Description:

For an intermediate / advanced guitar player, this book is awesome. Unlike many first Tab offerings, these Tabs are exact, and you'll be playing Rory classics in no time! The beginning of the book has a spotlight on 4 of his guitars with quotes / anecdotes from Rory and Donal (his brother). Same goes for 3 of his amps. There is one page that has quotes from the likes of Clapton, Page, Slash, Frampton, and Steven Tyler, and more. But most importantly, the Tabs are accurate for both rhythm and solos. Once the rhythm chords are depicted, the Tabs give you the rhythm cadence for each verse, instead of wasting a lot of space printing each chord, which really makes it easier to follow, and easy on the eyes. This is a really quality book, printed on acid-free paper. It also has some cool, vintage Rory pics inside. Many thanks to all involved that created it.
